Mayor Clarissa Allega, called the meeting to order on Tuesday, February 4, 2020, at 6:45 PM in the Clinton Village Hall.

Roll Call: Mayor Allega, Mrs. Godwin, Mr. McDaniel, Mrs. Conroy, Mrs. Gensimore, and Mr. Rash were present. Mr. Goch was absent.

Application – Hazard Mitigation Grant Program - FEMA -DR-4447-OH

Mrs. Allega announced we are here to provide members of the community an opportunity to comment on the FEMA application for 7788 Main Street. The intention is to submit for acquisition, demolition and creating park green space. This property continually floods and the homeowner no longer wants to continue to rebuild every year. All council meeting minutes, including this meeting, where this topic was discussed will be included in the application to document our public notice.

A gentleman asked for clarification of the house and he was told it is the one across the street from the car repair garage.

Approval of Submitting Application

Mrs. Gensimore made the motion that we approve sending the FEMA application by the Friday deadline, seconded by Mr. Rash.

Roll Call: Mrs. Gensimore, Mr. McDaniel, Mrs. Conroy, Mrs. Godwin, and Mr. Rash voted aye. Motion passes.

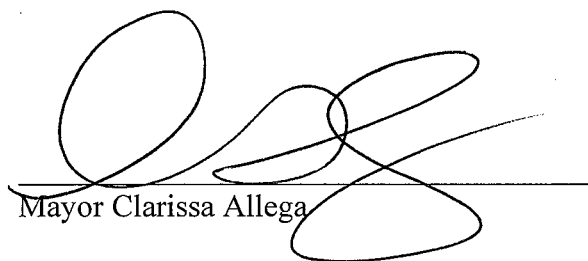

Meeting was adjourned.
